

NOTIFICATION OF AWARD OF SECTION 5310 FUNDS

The Transit Authority of Lexington-Fayette Urban County Government (Lextran) was selected by an impartial evaluation committee to receive Section 5310 funds for enhanced mobility for elderly persons and persons with disabilities.

Lextran will receive \$102,853 in funds for Federal Fiscal Year 2017 and \$104,760 for Federal Fiscal Year 2018 for a total award of \$207,613.

Lextran will use this funding to make improvements, including accessibility, to approximately 50 bus stops throughout Fayette County.

This project includes design work, site improvements, and passenger amenities, like seating (benches or shelters), trash cans, signage, or other pedestrian elements that improve the area at or near the bus stop.
