**LexTran's Getaround Pass and Bike 'n Ride is the perfect way to get around campus!**

### Features

Speedy! Loading/unloading takes most people less than 25 seconds.

It's lightweight, and easy to use!

Accommodates bikes of all sizes!

Holds bike firmly in place!

Only comes into contact with bike's rubber tires—no damage!

Curbside loading for maximum safety!

So easy, even a child can load.

# LEXTRAN Offers Bike 'n Ride

Our New Bus Bike Racks  
Make It Easy!

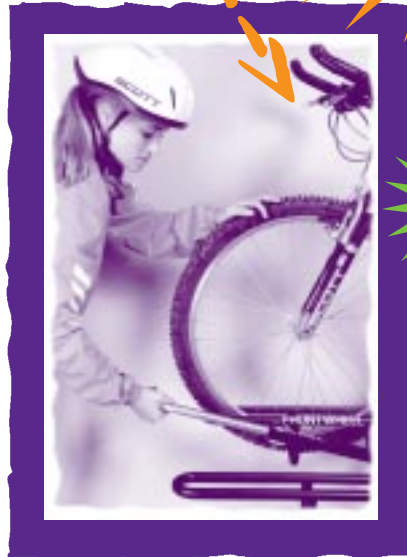

Hold bike with one hand, and lower rack with the other.

Lift bike into one of the rack's wheel wells.

To unload bike, lift up on rack support arm and lift bike out of wheel well to curb.

Pull out the rack's support arm, positioning it over the bike's front tire. Then board the bus!
